

Hrishi's AI PM EdTech Pvt. Ltd.

IT Support Policy

Version: 1.0

Effective Date: 1 January 2026

Applicable To: All Employees and Contractors

1. Purpose

The purpose of this IT Support Policy is to ensure employees receive timely technical assistance while maintaining the security, reliability, and availability of company systems and devices.

2. Scope

This policy covers:

- Company-issued laptops
 - Email accounts
 - Collaboration tools
 - VPN access
 - Password management
 - Technical support requests
 - Hardware replacement
-

3. Password Reset

Employees who forget or suspect compromise of their company password should immediately contact the IT Helpdesk.

Password Requirements

Passwords must:

- Contain at least 12 characters
- Include uppercase and lowercase letters
- Include numbers and special characters
- Not be reused from previous passwords

Passwords should never be shared with colleagues or written in unsecured locations.

For security reasons, IT personnel will never request employees to disclose their passwords.

Multi-factor authentication (MFA) is mandatory for all company accounts.

4. Laptop Replacement

Employees are responsible for maintaining company-issued laptops in good condition.

Replacement may be approved under the following circumstances:

- Hardware failure
- Manufacturing defects
- Accidental damage (subject to review)
- Device becoming obsolete after its lifecycle

Employees must immediately report:

- Lost devices
- Theft
- Physical damage

Lost or stolen laptops should be reported within **24 hours** to both IT and HR.

Data stored on company devices remains company property.

5. Raising IT Support Tickets

Employees requiring technical assistance should submit a support ticket through the company's IT Service Portal.

Each ticket should include:

- Issue description
- Screenshots (if applicable)
- Error messages
- Device information
- Priority level

Response Targets

Priority Initial Response

Critical Within 1 hour

High Within 4 hours

Medium Within 1 business day

Low Within 2 business days

Employees should avoid contacting engineers directly unless instructed by the IT team.

6. VPN Access

Virtual Private Network (VPN) access is provided to employees requiring secure access to company resources while working remotely.

VPN access requires:

- Manager approval
- IT provisioning
- Multi-factor authentication

Employees must:

- Disconnect VPN after work when possible
- Avoid using public Wi-Fi without VPN
- Never share VPN credentials

IT reserves the right to suspend VPN access if suspicious activity is detected.

7. Employee Responsibilities

Employees are expected to:

- Install company-approved software only
- Keep laptops updated
- Report security incidents immediately
- Lock devices when unattended
- Follow all information security guidelines

Failure to comply with IT security policies may result in restricted system access or disciplinary action.

8. Contact

For technical assistance, employees may contact:

IT Helpdesk: itsupport@hrishiaipm.com

Support Hours: Monday–Friday, 9:00 AM–6:00 PM (IST)

Emergency support is available outside business hours for critical incidents affecting business continuity.
